

Trip 3/2017 - Testimonials

"My trip to Israel in 2017 that Orit coordinated was far more than I anticipated. I expected to visit sites that have religious significance, and we did. But that was only the beginning! We were taken on a journey that also highlighted the extraordinary progress that Israel has made since becoming a nation after WW II. My understanding and appreciation of the nation and its people was significantly enriched by this experience."

"I had heard such wonderful comments from a friend that I was determined to take this trip, in fact I signed up twice and the trip didn't make. When I finally got to take the trip this it was far beyond any expectations I had. Each day it seemed we traveled through ancient history and then returned to recent history. It was good to see holy sites of many faiths. Orit, Efi, and their family made the experience one of a kind. I've been reading about all I saw and experienced since I returned home. For me it's a trip that keeps on giving."

"Visiting Israel had been on our bucket list for quite some time. When we learned about Orit's planned trip for March 2017 and reviewed the intended itinerary and related details, we were impressed. The trip seemed to be quite extensive and cost effective; we were hooked! As it turned out, the trip far exceeded our great expectations! Touring with a small group (17) with Orit and a fantastic team of Guide and Driver we traveled the depth and breathe of Israel. The topography was an eye opener, and the history shared by our very knowledgeable Guide as we visited the many historical sites was an ongoing education. It was without doubt the trip of a lifetime (though one we would love to replicate)! If you have the opportunity, take this trip with Orit; you will sing her praises as our group continues to do."

"My expectations for my first trip to Israel were high, and the trip organized by Orit exceeded them all. The carefully planned itinerary coupled with an exceptional tour guide and Orit's attention to detail about every facet of the trip enabled us to experience so many more of Israel's diverse sights than most groups get to see. It was fun, informative, inspirational, and unforgettable. I would recommend a trip organized by Orit to anyone."
